FLOORTEX®
solutions

Introducing Viztex Dry Erase & Bulletin Boards.

Although dry erase board prices have been increasing, buyers have benefited from the high level of standardization across most market brands, which has driven competition by making it easier for buyers to source & switch between suppliers.

With 2.7 million classrooms in the USA alone, Floortex are proud to announce the launch of a competitively priced, premium line of dry erase, fabric and cork display boards.

Our Viztex non-staining dry erase and self-healing cork / fabric boards provide a level of quality second to none, delivering branded quality at non-branded prices.

VIZTEX™

A FLOORTEX BRAND
